*This Whitepaper is intended for informational purposes only and does not constitute legal, financial, tax, or funding advice. The information contained within this document is provided "as is" without representation or warranty of any kind, either expressed or implied. While every effort has been made to ensure the accuracy and completeness of the information presented herein, Medicus does not guarantee its validity or relevance at the time of reading or in the future. The Medicus White Paper discusses future plans and intentions which are subject to change without notice based on market and industry conditions, legal and regulatory developments, and other factors. Medicus expressly disclaims any obligation to update or alter any forward-looking statements, whether as a result of new information, future events, or otherwise, except as required by applicable law. Medicus tokens are not intended to be securities, commodities, or any form of financial instrument in any jurisdiction. This document does not constitute an offer or solicitation to sell shares or securities in Medicus or any related or associated company. The intended purpose of Medicus tokens is within the Medicus ecosystem, and they are not designed for speculation. No regulatory authority has examined or approved any of the information set out in this Whitepaper. No such action has been or will be taken under the laws, regulatory requirements, or rules of any jurisdiction. By accessing and reading this Whitepaper, you acknowledge and agree to be bound by the terms and conditions set forth above. If you do not agree to these terms, you should not use or rely on this Whitepaper for any purpose.*
